Did you know...

Online Library

The MCC library website is an online library. You can access our resources, such as databases, articles and eBooks, from home with your EasyLogin - it’s free and available 24/7.

What’s happening...

Dogs in the Library!

Visit with therapy dogs Monday 1/28, Thursday 1/31, Monday 2/25, and Thursday 2/28, at 11am and 3:30pm.

What’s new...

Books

MCC Library has a rotating selection of new and notable fiction and nonfiction print books as well as our regular collection. You can check out books, magazines, and DVDs with your MCC ID. You can also use your ID at any community college or state university library in NH, and at Manchester City Library to get a library card. MCL has audio books and streaming video as well, all free to cardholders.

Magazines

We recently added The Economist, Dwell, Out, The Advocate, Vogue, Make and Wired. You can check magazines out – just bring the issue you want to the desk and we’ll help you.

Research Guides

We’re always updating our guides – check out an overview of the OneSearch box on our website in Getting Started with Research, see our updated HVAC and Exercise Science guides, and more. Faculty: want a guide for your program or course? Ask us!
